**1THS/UVU Distance Learning
2009-2010 School Year**

Be aware that these courses are subject to change without notice. These courses are for mature, motivated students who are good self-starters and independent learners. Students must have an excellent attendance record, a cumulative 3.0 GPA, and meet prerequisites in some classes. UVSC professors broadcast their classes to our distance learning labs where students interact with the professor and other students through interactive television. These courses do not follow our A/B bell schedule, so students must be willing to meet time schedules set for the classes. Students purchase the required textbooks. **Grades earned will show on high school report cards and generate an official college transcript.**
