

School Improvement Team Minutes
November 17, 2009

Present: Theron Murphy, Diane Wanamaker, Jake Figueira, Donnalee Eisenhart, and Cathy Keller. Excused were DeeAnn Brewster and Elena Stapleton.

We reviewed the collective commitments.

Theron will e-mail Doug to remind him to put the “Community of One Striving for Excellence” on the webpage. He will also remind Richard to have it on the daily announcements at the very end.

Successes:

The vinyl is up and looks great. Thanks to Donnalee and NHS.

Jake will e-mail the teachers some suggested ways they could remind students that “We are a Community of One Striving for Excellence.”

Theron will remind teachers at the M&O meeting on Monday.

Diane explained the 0708 Stakeholder’s Perception Survey. As a group we discussed possible changes to the 0910 survey. Next year the survey will be completed online at the SEOP.
